*Prices are effective for the current financial year. The payment of the funeral account is not contingent on Probate being granted or estates being settled or superannuation funds. Terms of payment is full payment to be cleared 24 hrs prior to the date of the funeral service, credit card payments attract a 1.5% fee. At the time of death should the deceased weigh more than 90kg and or not fit in our albatross cremation system then an oversize casket/coffin will need to be purchased with various styles available. * This is an accurate estimate of the total minimum price for the least expensive combination of products Signature Funeral Services offers to customers.)*
